TREVOR JACOBSON, et al.,

Defendants.

SARAH NETBURN, United States Magistrate Judge:

The parties' October 22, 2021 status letter, ECF No. 54, states that the parties believe a reference to another magistrate judge for a settlement conference would be productive at this time. By November 5, 2021, the parties are directed to contact the Honorable Ona T. Wang's chambers at Wang_NYSDChambers@nysd.uscourts.gov to schedule a settlement conference. All existing discovery and motion deadlines remain unchanged.

SO ORDERED.
